

Press Release

9th October 2020

Result of ixCrypto Index Quarterly Review (2020 Q3)

Today, IX Asia Indexes Company Limited announced the 3rd quarter review of the ixCrypto Index (“IXCI”). This is the first crypto benchmark index launched in Hong Kong.

The Conflict of Interest Rule* is introduced during this review, excluding Binance Coin from the constituents. New Constituents, Cardano and EOS will join the current constituents. As a result of this change, the number of the constituent cryptos will increase from 7 to 8.

The free float adjusted market capitalization coverage is 80.31%, while the 90-day-average volume coverage is 46.43%. The 8 constituents will be recapped at 40% weighting on October 16, 2020 (Friday).

From the last review, there has been a rise in the crypto total market capitalisation from USD263bn to USD344bn (+31%), and a rise in the daily volume from USD57bn to USD98bn (+72%). Binance is still the world biggest Exchange in terms of the CoinMarketCap Exchanges Ranking with a daily volume of USD5.4bn. Bitcoin remains as the largest crypto in the constituent list and its price has gone up by 18% since the last review.

More details about the ixCrypto Index, including its constituents and constituents’ weight, are provided in the Appendices.

* The Conflict of Interest Rule indicates that to keep the Index neutral and fair, the constituents of the ixCrypto Index will exclude the coins managed/ operated by any organizations that would have conflict of interest with the Index. These organizations may include crypto exchanges, crypto funds, etc.

About ixCrypto Index

The ixCrypto index (“IXCI”) is the first crypto index launched in Hong Kong. It was launched on 12 December 2018. It is denominated in USD with a base value of 1000 and a base date on 3 December 2018. On 1 June 2020, the hourly index was launched. Designed to be easy to understand while providing a good representation of the crypto market, ixCrypto index aims to cover the top 80% of the cumulative free-float adjusted market capitalization in the crypto universe and, at the same time, the crypto currencies should fall within the top 25, ranking by trading volume in the 90 days preceding the review date. The index is to be reviewed quarterly and with a fast entry rule. The daily index level is updated daily on Hong Kong trading day at the ixFintech webpage at 12:00 noon, Hong Kong time. The hourly index is available from 9am-9pm and updated at every :00 of the hour.

About IX Asia Indexes Advisory Committee

To ensure the professionalism and impartiality of the index methodologies and operations, ixAsia has established its index advisory committee with representation from different industries, including fund management, exchanges, brokerage, financial blockchain experts, crypto service providers, etc. The committee will meet twice a year to discuss matters relating to the ixAsia Indexes, including to review and to comment the data sources, methodologies, and operations of ixAsia Indexes, to provide guidance to the future development of new ixAsia Indexes and to handle other issues and decisions on an as-needed basis.
